

Jimmy has finally gotten himself into a situation from which there seems to be no escape. He has irritated and annoyed the wrong magician at the wrong time. Or has he? Surely he must get away from the prison that is Verdan? According to the powers for good, he has much work to do in drawing together the people of this wonderful world. He must escape, mustn't he? To this point Jimmy has grown up beyond all recognition, through all his trials and adventures. He has encountered great characters, and has cemented unusual friendships in many dangerous situations, where older people might not have survived. Has the youngster's charmed life finally lost its charm or does he win through and achieve his destiny? How does he overcome the barrier that his age erects against his goal of becoming one of the most effective and powerful leaders Omni has ever seen? All these questions will be answered in this jaw-dropping climax to the stories of "The Magic Parcel"
