

Ethan Randall seemingly has a perfect life. Girls are crazy about him; all the guys want to be his friend-what more could a teenage boy want? Ethan has no idea his idyllic life is about to hit rock bottom. While on a mission one evening to seek revenge on a rival, Ethan and his friend, Anthony Williams, are attacked by a gigantic, wolf-like creature. Although the two boys manage to escape, Ethan soon lapses into a brief coma of sorts, leading to the eventual discovery that, whether he likes it or not, he has transformed into a werewolf. Ethan tries to carry on as if everything is normal, but when he and his rival get into a fight, Ethan loses control and kills him. Even worse, three more people die in mysterious wolf attacks. Ethan believes he has no one but himself to blame, but his best friend, Anthony, wonders if someone else is responsible for the killings. In this exciting, suspenseful tale, Ethan must find a way to protect everyone he cares for before they all end up victims of the menacing monsters that lurk in the shadows of the night-just waiting to pounce.
