

This book describes the LAPD, decade by decade (mid-1960s - mid-1990s) as it really was. Among the contents, all in the form of easily read vignettes, are incidents that are funny, sad, tragic, and downright unbelievable - but every word 100% accurate. For those interested in the historic transition of the LAPD of yesteryear, from situations that by today's standards are clearly wrong and inappropriate, to the type of policing that characterizes today's law enforcement profession, **THIS BOOK IS FOR YOU!** The author is fond of saying that the City of Los Angeles can be violent, deadly and dysfunctional, and it's also pretty tough once you leave police headquarters! In addition to crime and other actions on the streets, the internal politics and behaviors -- some pretty troubling -- are also discussed. Throughout the entire book however, two things remain clear; that the author loves the men and women of the Los Angeles Police Department and remains adamant that the employees of yesteryear, just like the employees of today, were deeply committed to doing a great job in making the wonderful City of Los Angeles a great place to live, work and visit! The author says that, his greatest regret is not being able to do it all over again! When you read the book, you will understand why....
