

Soon I find myself surrounded by the handsome men who raised me, exposed to them in a way that I never imagined. My body trembles as they look me over with hungry eyes, the group of us well past any hesitation or modesty. Weâ€™ve accepted the path that weâ€™re on, as taboo and forbidden as it is. â€œDid you really mean everything that you said in your letter?â€• The man of the house asks me. â€œEverything.â€• I admit. â€œThis isnâ€™t going to be a habit,â€• John explains. â€œButâ€• Your grades are important, and I want you to be able to focus. We all do.â€• â€œHow are you going to help me?â€• I ask coyly, biting my lip. If itâ€™s so wrong, then why does it feel so right? With Amber Paigeâ€™s *Taken By The Men Who Raised Me* series, no man-of-the-house fantasy has been left unexplored. Hailed as the predominant author of forbidden, taboo gangbangs, Amber Paige has created a world where all of your most depraved fantasies are free to run wild without consequence. Now the complete series is available in three, nine story volumes that are sure to get your heart racing. These are the most hardcore, explicit tales of older-men-on-a-younger-woman group sex you will ever encounter, featuring double penetration, bukakke, rough sex and taboo cream pies.
